

## Level 2 - Further Courses

### *A Deeper Awareness of Self*

*On completing your 'Foundation Course' you will find that the insights you gain, keep demanding further reflection, encouraging you to go deeper into the important questions of "Who I am and Why?" These next courses give you the opportunity to broaden your journey of self-discovery with like-minded others who share a common language and approach.*

#### **1. Reveal your Life/Soul-Purpose**

Fine tune how your Archetypes work together to define your "True Purpose in Life"

Each Archetype has a role to fulfil and they magically and intricately support each other to complete the 'Whole You'. Let them reveal what the True you, yearns to achieve in this life and what defines fulfilment for You.

#### **2. Harness your Archetypal Power**

Establish the hierarchy and the interplay between your Archetypes and how they weave their unique power in your life. Become aware of this unconscious play and learn how to actively harness and heighten your Power dynamics through the language of your Archetypes.

#### **3. Archetypes in Focus (Blocked Archetypes ask to be revealed)**

Have any Archetypes prompted deeper questions for you? Are you ready to go deeper into what their stories can reveal and clarify for you?

#### **4. Archetypes and their Unconscious Shadows**

Every archetype has a shadow. You know what you know about your Archetypes but what are you unaware of and why? Time to look to the unconscious actions your Archetypes play and understand why you keep them hidden from yourself.

#### **5. Your Archetypes meet your Natal chart**

Find out where your Archetypes are hiding in your Natal Astrology Chart and find out how much more information they offer to your newfound Archetypal Language. What areas of your life does each Archetype have the greatest importance in and what is the connection between each of them? Discover what special journey they will play out in your life.

#### **6. In Reflection...**

This is the opportunity to reflect on the insights gained through the Courses and see what they offer as an overall interpretation. Time to see what specific changes these insights are inviting you to make. Time to put a plan into action. What do you need to redefine in your life? Define a plan of action for your Archetypes to execute, to make this change a reality.
